

## The 8th Great Ecclestone Bake-off Rules of Entry

Your cake and this form must be brought to Ecclestone Village Hall on Sunday 17 September between 12noon and 3pm that day. Judging by a panel of experts from St Helens WI will take place from 3.15pm to 3.45pm. The Best Decorated Cake category will be decided by public vote - have your say! The winners will be announced at 4pm, when prizes and trophies will be awarded.

The entry must be a cake - no puddings or pies

The cake has to be baked - no refrigerated concoctions

It must be made from scratch - no shop-bought mixes or repackaged goods

Do not reveal to anyone which cake is yours - entries are blind-tasted to ensure fairness

No intimidating fellow bakers or bribing the judges

Judges are not eligible to enter

**\*\*\* Entries must be displayed with the small label featuring the cake's name and brief description. The completed entry form must be folded and placed beneath the plate/stand that your cake is on to preserve anonymity \*\*\***

**The type of cake you bake is up to you, but you must ensure that your description accurately reflects what type of cake it is.** For instance, if it is described as a carrot cake, the judges will score it against the classic idea of a carrot cake's taste and texture, but if yours is a twist on a carrot cake and incorporates unexpected ingredients, please say so on the label so that the judges can take it into consideration.
